

**Military Veteran Peer Network
2025 Program Notice**

To South Plains veterans:

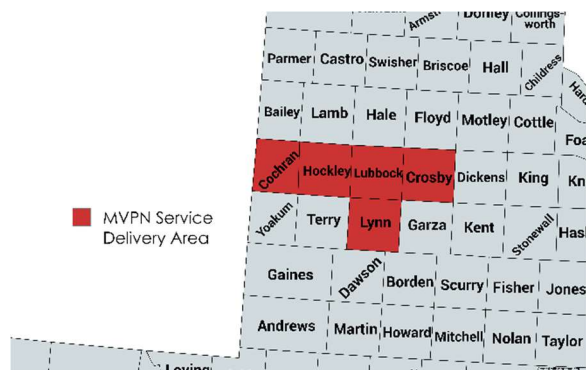

VetStar is pleased to provide the following program services to our military service members, veterans, and their families:

Program. Military Veteran Peer Network (MVPN)

Purpose. To assist military service members, veterans, and their families who have experienced trauma or mental health needs by connecting them to a network of peers and services who can help navigate those experiences and develop resiliency through trust, camaraderie, and hope. MVPN assists justice-involved veterans in identifying resources in our service delivery area.

Services. Supportive services and mental health programs, including support groups and resource referrals. MVPN offers Military Cultural Competency and suicide prevention courses for any interested individual or organization. The MVPN offers volunteer and networking opportunities for the community.

Services delivery area. Cochran, Crosby, Lubbock, Lynn, and Hockley counties.

Qualifications. Be a military service member, veteran, or direct family.

Funding. This program is made possible by the Texas Health & Human Services Commission.

Interested veterans may contact the local program office in your area. VetStar is the Veterans Division of StarCare Specialty Health System, a 501(c) nonprofit and local mental health authority.

Sincerely,

VetStar Lubbock Staff
3804 I-27 Frontage Road
Lubbock, TX 79412

Service may be available.

September 1st, 2024, to August 30th, 2025.
